

【ESR からのお知らせ】(2013.6.19 付)

Dear Dr. Kuribayashi,

we would kindly remind you that the ESR corresponding membership is completely FREE of charge. Which means that the radiologists and radiology residents or professionals of allied sciences engaged in practice, teaching or research residing in your country may become ESR corresponding members completely FREE of charge and enjoy the following benefits (including eligibility for the European Diploma in Radiology!):

- . Reduced ECR fees
- . Free online access to all ESR resources:
  - 2 scientific journals (European Radiology, Insights into Imaging)
  - E-Learning tools (EURORAD, EPOS)
  - ESR Self Assessment
- . Exclusive option to participate in:
  - European Diploma in Radiology: examination based on the ESR European Training Charter for Clinical Radiology
  - All activities of the European School of Radiology (ESOR)
