Welcome to the ESR!

It is our pleasure to warmly welcome all colleagues and friends from Japan.
We would like to introduce the European Society of Radiology (ESR) and all its offers to you.
For all professionals in medical imaging, ESR Corresponding Membership is free of charge, and gives you many benefits.
Find out more below.

欧州放射線学会 (ESR) からのお知らせ

ようこそ皆様！

日本医学放射線学会 (JRS) と欧州放射線学会 (ESR) の長きにわたる協力関係の枠組みの一環として、ESR及び来年3月にオーストリアのウィーンで開催される同学会の年次総会である欧州放射線学会議 (ECR) について、興味深い情報をお伝えできるのは大変光栄です。

2018年度の欧州放射線学会議 (ECR 2018) のスローガンは、**Diverse & United** で、我々の専門分野における国際的な多様性を強調するものです。当学会では、医療映像の分野がより強力に成長するために、最新の技術に関する知識が必須であると確信しています。ESRが提供する「**ECR Online**」システムは、世界中の医療従事者の皆様が3000件を超える講義を、**無料で**視聴することができるようになっております。

ESRでは、日本やその他の国の放射線科医、放射線技師、物理学者の皆様が**ゲスト** (Corresponding member) として登録していただければ無料で、下記の多くのメリットを得ることができます。

ESRは多くの日本の皆様に、この活動に加わっていただくことを心から歓迎しております。ここで興味深い情報を見いだしていただければ幸いです。

ESR presidentおよび**ECR 2018 president Bernd Hamm**教授

ESR Corresponding Membership is free of charge

Become an ESR corresponding member for free. In order to benefit from reduced ECR 2018 fees, your ESR membership must be active before **August 31, 2017**.

Our member benefits

- Free electronic access to [European Radiology](#)
- The right to submit to our case database [EURORAD](#)
- Covering of article processing charges in our open access journals ([Insights into Imaging](#) and [European Radiology Experimental](#))
- Exclusive option to participate in the [European Diploma in Radiology \(EDiR\)](#) and all activities of the [European School of Radiology \(ESOR\)](#).
- Free access to the ESR's eLearning platform [Education on Demand](#)

ECR 2018 - Diverse and United

Abstract Submission is open

The ECR 2018 Abstract Submission is now open for

- [Scientific Papers](#)
- [Electronic Posters \(EPOS\)](#)
- [Clinical Trials in Radiology](#)

Deadline: October 10, 2017.

Submit your abstract and be part of Europe's most prestigious imaging meeting!

[More about Abstract Submission](#)

Invest in the Youth

Support our future generations of medical imaging professionals!

The "Invest in the Youth" programme supports 1,000 **young professionals** by giving **free registration** to the ECR and up to **4 nights hotel accommodation**.

Applicants must be an active member of ESR and submit an abstract for ECR 2018.

[More about Invest in the Youth](#)

ECR ONLINE - Free of charge and better than ever

Watch more than **1,500 lectures from ECR 2017** completely free of charge!

With a huge range of topics, there is something to suit every interest and every training level.

[Access ECR Online](#)

EDUCATION ON DEMAND

The ESR's e-learning platform is free of charge for all members!

Access more than **300 modules**: recorded ESOR and ESOR for EDiR courses, self assessments, quiz cases, e-learning and literature modules - from all branches of radiology, and in all training levels.
