

Dear JRS Members:

In recognition of the ARRS-JRS global partnership, the ARRS has created a new web landing page featuring the JRS. The global partners page on the ARRS site, http://www.rrs.org/international/GP_index.aspx lists all of the Society's current partners and then if you click on the JRS logo there is a page dedicated to your Society, http://www.rrs.org/International/GP_JRS.aspx and the partnership. We can add a section called JRS Society News if there is any content you would like to provide to the ARRS and we can certainly make any other recommended edits regarding the JRS.

Sincerely,

ARRS
