NEW Online Open Access Global Education Opportunities –

WWW.ARRS.ORG/GLOBALEDUCATION

Emergency and Trauma Radiology

This course features interactive presentations from experts on emergency and trauma radiology and will provide a comprehensive review of various injuries.

Brain Tumors: From Child to Adult

This course, presented by ARRS and the Spanish Society of Medical Radiology (SERAM), provides a comprehensive review of the role of conventional and advanced imaging techniques for the diagnosis and treatment of brain tumors in children and adults, and reviews key concepts of the 2021 WHO classification of brain tumors.

JRS Members are Invited to Join ARRS

Through this global partnership ARRS is pleased to offer complimentary online membership for radiology residents in a training program and for radiologists in fellowship training. ARRS also offers a significant discount on ARRS online membership for JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Input the Promotional Code indicated in the box below based on your ARRS Membership Type. Be sure to complete the entire membership

form in order to receive the complimentary or reduced online membership fee.

Questions should be directed to membership@arrs.org.

ARRS Membership Type	ARRS Membership Description	ARRS Promotional Code for JRS Members
