AJR Articles for JRS Members

ARRS has made these *AJR* articles freely available to JRS members through mid-April 2024:

Screening in Patients With Dense Breasts: Comparison of Mammography, Artificial Intelligence, and Supplementary Ultrasound

<https://ajronline.org/doi/10.2214/AJR.23.29655>

Multicenter Validation of a T2-Weighted MRI Calculator to Differentiate Adrenal Adenoma From Adrenal Metastases

<https://ajronline.org/doi/10.2214/AJR.23.29727>

Artificial Intelligence for Assessment of Endotracheal Tube Position on Chest Radiographs: Validation in Patients From Two Institutions

<https://ajronline.org/doi/10.2214/AJR.23.29769>

Editorial Comment: Artificial Intelligence for Detection of Endotracheal Tube Malposition—Augmented Rather Than Autonomous Radiology

Interpretation

<https://ajronline.org/doi/10.2214/AJR.23.30297>

Everything, Everywhere, All at Once: Comprehensive Breast Imaging

Longitudinal Course

Participants will be able to watch nine, two-hour sessions taught from January through October 2024. Participants may join at any time during the course, live or on demand. **The first session, Mammography, debuts January 18. The next session, Breast MRI, takes place February 15.** All sessions will be available on demand until October 16, 2025. See more information and registration at:

Virtual Symposium – Emergency Radiology: Insights from Radiology’s Front Line on January 25

This half-day course takes place live online on January 25. Registrants will have online, on demand access until January 25, 2025. Registration is complimentary for ARRS In-Training Members. Learn more about this course and others coming soon and register at: ARRS.ORG/SYMPOSIA

ARRS 2024 Meeting Registration is Open – Get the Best Rate by the Early Deadline: March 1, 2024

Participate as an in-person registrant in Boston, May 5-9, or as a virtual registrant. All registrants have access to live streaming as well as on-demand

access for all the sessions until May 9, 2025. In recognition of our global partnership, active practice global partner members who are also ARRS members receive a discount when registering online for either the in-person or the virtual meeting. Learn more and determine how you want to participate at:

NEW Global Education Course – WWW.ARRS.ORG/GLOBALEDUCATION

ARRS is pleased to present the new online, open access course, *Imaging of the Pancreas*, which focuses on approaches to pancreatic cancer staging, pancreatic cysts, and dual energy applications.

JRS Members are Invited to Join ARRS

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology.

ARRS also offers a significant discount on ARRS membership for JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to membership@arrs.org.
