AJR Articles for JRS Members

ARRS has made these *AJR* articles freely available to JRS members through mid-July 2024:

High-Frequency Jet Ventilation Versus Spontaneous Respiration for Percutaneous Cryoablation of Lung Tumors: Comparison of Adverse Events and Procedural Efficiency

<https://ajronline.org/doi/epdf/10.2214/AJR.23.30557>

Biliary Duct Dilatation: AJR Expert Panel Narrative Review

<https://ajronline.org/doi/epdf/10.2214/AJR.23.29671>

Implementation of a Program for Appendicitis MRI in a Pediatric Hospital

<https://ajronline.org/doi/epdf/10.2214/AJR.23.30695>

Contemporary Imaging Assessment of Strictures and Fibrosis in Crohn Disease, With Focus on Quantitative Biomarkers: From the AJR Special Series on Imaging of Fibrosis

<https://ajronline.org/doi/epdf/10.2214/AJR.23.29693>

ARRS 2024 Meeting Registration Deadline is Thursday, May 9

[HTTPS://WWW2.ARRS.ORG/AM24/](https://www2.arrs.org/am24/)

All registrants have on-demand access to all the sessions until May 9, 2025. In recognition of our global partnership, active practice global partner members who are also ARRS members receive a discount when registering online for either the in-person or the virtual meeting. ARRS In-Training members receive the lowest rates. Learn more and determine how you want to participate at:

<https://www2.arrs.org/am24/>

NEW Global Education Course

WWW.ARRS.ORG/GLOBALEDUCATION

ARRS is pleased to present **Breast Imaging: Imaging Trends, Patient Care, and Global Insights**. Course topics include artificial intelligence, patient communications and experiences, and global perspectives.

NEW Comprehensive Breast Imaging Course

[HTTPS://ARRS.ORG/BREAST2024](https://ARRS.ORG/BREAST2024)

Everything, Everywhere, All at Once: Comprehensive Breast Imaging Longitudinal Course

This course offers nine, two-hour sessions in total. Session began in January and

will continue until October. All sessions will be available to all participants on demand until October 16, 2025. **Challenging Biopsies and Localizations will be presented April 18 and Managing Difficult Cases will be presented June 20.** Previous sessions already available include: Mammography, Breast MRI, and Breast Ultrasound. Earn up to 18 CME credits for the entire course. Learn more and register at: <https://arrs.org/breast2024>

JRS Members are Invited to Join ARRS

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology. ARRS also offers a significant discount on ARRS membership for JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to membership@arrs.org.
