Announcing 2025 Neuroradiology Longitudinal Course

First Session: January 16 – Emergency Neuroradiology

This course, presented in two-hour sessions, will be taught from January through October 2025 and will provide a broad overview of neuroradiology, including brain, spine, and head-and-neck imaging. Each session will feature a series of image-rich, case-based didactic lectures, followed by an interactive expert panel discussion. Participate live or at your own pace. Learners have access to the entire course to view and claim credit until October 2026. Learn more and register

JRS Members are Invited to Join ARRS

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology. ARRS also offers a significant discount for ARRS membership to JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to membership@arrs.org.
