ROENTGEN RAY REVIEW

### **Complimentary AJR Article**

Multimodal Large Language Model With Knowledge Retrieval Using Flowchart Embedding for Forming Follow-Up Recommendations for Pancreatic Cystic Lesions

<https://www.ajronline.org/doi/epdf/10.2214/AJR.25.32729>

### **Global Education Course – MSK Infection Update: What Do I Need to Say and Do?**

This online, open access course will review the imaging appearance of musculoskeletal infections and image guided interventions to treat musculoskeletal infections involving the bone, soft tissue and spine and the recommended terminology to describe these entities. This course and others are available at:

<https://www.arrs.org/GLOBALEDUCATION>

### **Virtual Symposium: Mastering CT for TAVR & TMVR on May 29**

Learn from top experts how to streamline CT workflows and improve clinical decision-making for TAVR, TMVR, and valve-in-valve procedures. ARRS Virtual Symposia are complimentary for ARRS In-Training Members. Learn more about this course and previous ones at:

[https://www.arrs.org/ARRSLIVE/ARRSLIVE/Education/Meetings/Symposia/ARRS\\_Symposia.aspx?hkey=2e3ebed1-f153-4647-9b03-9357015c27f4](https://www.arrs.org/ARRSLIVE/ARRSLIVE/Education/Meetings/Symposia/ARRS_Symposia.aspx?hkey=2e3ebed1-f153-4647-9b03-9357015c27f4)

### **2025 Neuroradiology Longitudinal Course**

#### **Next Two Sessions: May 15 & June 26 – Head and Neck**

This course, presented in two-hour sessions, will be taught through October 2025, and will provide a broad overview of neuroradiology. Each session will feature a series of image-rich, case-based didactic lectures, followed by an interactive expert panel discussion. Participate live or learn at your own pace.

Learners have access to the entire course to view and to claim up to 18 credits until October 2026.

Learn more and register at:

**JRS Members are Invited to Join ARRS**

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology. ARRS also offers a significant discount for ARRS membership to JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to [membership@arrs.org](mailto:membership@arrs.org).

ARRS Membership Type	ARRS Membership for JRS Trainees
ARRS In-Training Member	Complimentary (FREE) online membership for JRS trainee members in:  1) a radiology residency training program  2) a radiology fellowship training program  3) a medical student program

ARRS Membership	ARRS JRS Global Partner Deeply Discounted Rate	ARRS Standard Member Rate
-----------------	---	---------------------------

ARRS Member rate for JRS practicing radiologist members in Japan	\$125 USD	\$399 USD
--	-----------	-----------
