NEW Open Access Global Education Course

Musculoskeletal Imaging: New Frontiers with Artificial Intelligence in Trauma

This new online open access course offers five lectures from expert speakers. Review this course and other offerings at: <https://www.arrs.org/GLOBALEDUCATION>

First Issue of the NEW ARRS Journal: *R3 Roentgen Ray Review* Now Available

<https://www.r3journal.org/>

This new, online, peer-reviewed journal made its debut March 2025. *R3* is a new ARRS member exclusive benefit offering timely content across all radiology subspecialties in the form of pictorial essays, case reports, technology updates, and short reports. New content will be released weekly. Check out the new journal at: <https://www.r3journal.org/>

Virtual Symposium on June 25

Imaging of Small Joints: A Review for Clinical Practice

Explore the latest diagnostic strategies, pathologic considerations, and procedural guidance for clinical practice with this four-hour course. Virtual Symposia are free for ARRS In-Training members. Learn more about this course and previous ones at:

https://www.arrs.org/ARRSLIVE/ARRSLIVE/Education/Meetings/Symposia/ARRS_Symposia.aspx?hkey=2e3ebed1-f153-4647-9b03-9357015c27f4

2025 Neuroradiology Longitudinal Course

Next Two Sessions: June 26 – Head and Neck & July 17 Spine

This course, presented in two-hour sessions, will be taught through October 2025, and will provide a broad overview of neuroradiology. Each session will feature a series of image-rich, case-based didactic lectures, followed by an interactive expert panel discussion. Participate live

or learn at your own pace. Learners have access to the entire course to view and to claim up to 18 credits until October 2026.

Learn more and purchase at:

https://www.arrs.org/ARRSLIVE/Education/Meetings/Symposia/LC25_Neuro.aspx

ARRS 2025 Available for Purchase Until the End of Summer
