Call for ARRS 2026 Meeting Abstracts – SUBMISSION DEADLINE AUGUST 15

This is your opportunity to present educational insights or research discoveries to an international radiology audience. Learn more at:

<https://www2.arrs.org/am26/abstract-submission-info/>

Don't delay. The submission deadline is August 15.

Plan to Participate: ARRS 2026 Meeting, April 12– 15 in Pittsburgh

Do not miss the opportunity to participate in-person and discover Pittsburgh, a city of innovation. Pittsburgh combines classic charm with a modern energy, making it a stand out destination for ARRS 2026. The city offers award-winning art and science museums, a vibrant theater district, an internationally recognized culinary scene, outdoor adventures, options for sports enthusiasts, and so much more. Whether you are traveling solo or with loved ones, Pittsburgh has something for you. Learn more <https://www.visitpittsburgh.com/> and sign up to receive meeting updates <https://www2.arrs.org/am26/>

2025 Neuroradiology Longitudinal Course

Next Two Sessions: July 17 Spine and August 21 Stroke

This course, presented in two-hour sessions, will be taught through October 2025, and will provide a broad overview of neuroradiology. Each session will feature a series of image-rich, case-based didactic lectures, followed by an interactive expert panel discussion. Participate live or learn at your own pace. Learners have access to the entire course to view and to claim up to 18 credits until October 2026. Learn more and purchase at:

https://www.arrs.org/ARRSLIVE/Education/Meetings/Symposia/LC25_Neuro.aspx

Open Access Global Education Course

Musculoskeletal Imaging: New Frontiers with Artificial Intelligence in Trauma

This online open access course offers five lectures from expert speakers.

Review this course and other offerings at:
