**Complimentary AJR Article**

*Multimodal Generative Artificial Intelligence Model for Creating Radiology Reports for Chest Radiographs in Patients Undergoing Tuberculosis Screening*  
<https://www.ajronline.org/doi/epdf/10.2214/AJR.25.33059>

**LAST CALL for ARRS 2026 Meeting Abstracts – SUBMISSION DEADLINE FRIDAY, AUGUST 15**

This is your last opportunity to submit your educational insights or research discoveries for consideration. **The submission deadline is Friday, August 15.** Learn more at: <https://www2.arrs.org/am26/abstract-submission-info/>

**Mark Your Calendar: ARRS 2026 Meeting, April 12–15 in Pittsburgh, Pennsylvania**

Participate in-person and discover Pittsburgh, a city of innovation. Pittsburgh combines classic charm with a modern energy, making it a stand out destination for ARRS 2026. The city offers award-winning art and science museums, a vibrant theater district, an internationally recognized culinary scene, outdoor adventures, options for sports enthusiasts, and so much more. Whether you are traveling solo or with loved ones, Pittsburgh has something for you. Learn more <https://www.visitpittsburgh.com/> and sign up to receive meeting updates at: <https://www2.arrs.org/am26/>

**Virtual Symposium on August 28**

**Mastering the Essentials: Female Genitourinary and Benign Gynecologic Imaging**

This course offers a comprehensive review of the role of Ultrasound, Fluoroscopy, and MRI in imaging common and uncommon conditions of the uterus, adnexa, and female GU tract using a myriad of illustrative cases. Sessions are designed for the practicing clinician, including trainees of all levels. Registration is complimentary for ARRS In-Training Members. Learn more and register

## **2025 Neuroradiology Longitudinal Course**

### **Next Two Sessions: August 21 Stroke and September 18 Advanced**

#### **Functional**

This course, presented in two-hour sessions, will be taught through October 2025, and will provide a broad overview of neuroradiology. Each session will feature a series of image-rich, case-based didactic lectures, followed by an interactive expert panel discussion. Participate live or learn at your own pace. Learners have access to the entire course to view and to claim up to 18 credits until October 2026. Learn more and purchase at:

[https://www.arrs.org/ARRSLIVE/Education/Meetings/Symposia/LC25\\_Neuro.aspx](https://www.arrs.org/ARRSLIVE/Education/Meetings/Symposia/LC25_Neuro.aspx)

#### **JRS Members are Invited to Join ARRS**

Through this global partnership ARRS is pleased to offer complimentary membership for radiology residents in a training program, radiologists in fellowship training, and medical students interested in a career in radiology. ARRS also offers a significant discount for ARRS membership to JRS members in active practice in Japan.

To become an ARRS member go to <https://www.arrs.org/ARRSLIVE/join> and create an account. Be sure to complete the entire membership form in order to receive the complimentary or reduced membership fee. Questions should be directed to [membership@arrs.org](mailto:membership@arrs.org).

<b>ARRS Membership Type</b>	<b>ARRS Membership for JRS Trainees</b>
