

Body Oncology

May 27 – 29, 2022 | Singapore

An Interactive Course in Diagnostic Imaging

Originating in Davos, Switzerland, the IDKD – International Diagnostic Course Davos – is in its 52nd year and has had daughter courses in Greece, Asia (Hong Kong and Beijing) and Brazil, and now Singapore!

- For 2022, IDKD presents a Diagnostic Imaging Course on Body Oncology
- The course is tailored for Medical Imaging specialists and residents in training
- It is an interactive, case-based course conducted in small groups, comprising **14 workshops** delivered by its international faculty
- Plus 4 highlight lectures by experts in the field focused on new developments
