AOSR AI WEBINAR PART II

LIMITATIONS AND POTENTIAL OF AI: A RADIOLOGIST END-USER PERSPECTIVE

1ST OCT 2022
2 PM - 4 PM SINGAPORE TIME
(11:30AM TO 1:30PM IST)

WHY ONE SHOULD ATTEND :

After the super success of the AOSR 1st webinar on AI, we got tremendous positive feedback from audience across Asia & Oceania. The radiologists were curious about many real life issues in implementing ArtificalIntelligence in the department and practice. This webinar enlightens us on the practical aspects- limitations and potentials of AI in radiology.
