President's Desk

Dr. Chamaree
Chuapetcharasopon, MD

AOSR President

As we conclude 2025, it is a privilege to reflect on a year of progress and collaboration within the Asian-Oceanian radiology community. This issue coincides with the International Day of Radiology (IDoR), a global celebration of the vital role imaging plays in modern healthcare. Radiology remains at the heart of modern medicine—advancing accurate diagnosis, guiding effective treatment, and improving patient outcomes worldwide.
