BIR World Imaging Congress 2 February 2024

The themes for the Congress this year cover Innovations and technologies, Network and collaborations, and Imaging and management of infectious diseases.

This is a fantastic opportunity to learn from excellent speakers across the world, direct from a device near you. Don't forget, once you have registered, you can watch online at a time to suit you.

Speakers include:

- Professor Evis Sala, Professor of Radiology, Università Cattolica del Sacro Cuore
- Professor Tarek A El-Diasty, President, Egyptian Society of Radiology and Nuclear Medicine
- **Professor Shigeki Aoki, President, Japan Radiological Society**
- Professor Harsha Dissanayaka, President, Sri Lanka College of Radiologists
